A new *napoleon.org* for 2007

© Fondation Napoléon

In 1996, the Fondation Napoléon launched *napoleon.org* on the web. Ten years and two versions later, the Fondation is about to undertake a complete refurbishment of the site (more than 2.6 millions sessions in 2005). The aim of this questionnaire is to help us get to know you (Student, General Public, Researcher, Librarian/archivist/document professional, Publishing industry, Audio-Visual industry), so as to be able to bring you the most appropriate services. *Napoleon.org* is for you; we would be grateful if you could take some time to answer these few questions.

Access the questionnaire on the home page of <http://www.napoleon.org>
