

TRANSNATIONAL GIVING EUROPE

Transnational Giving Europe (TGE) offers the comfort of a network of prominent grant-making foundations, anchored in each of the countries covered, where they have outstanding relationships with most non-profit organisations and enjoy confidence of national authorities. They ensure a contribution is allocated to the foreign charitable organisation a donor has chosen to support.

Your cross-border donation receives all applicable tax benefits in the country where you pay tax. Partner foundations' combined expertise in domestic tax laws secures the most effective tax treatment for your gift in both your own country and the recipient's.
